

# SPIN US A STORY?

Win Barnes and NOble Gift Cards

## A writing and Illustrating Contest for Children Preschoolers to 8th Graders

You have three categories to choose from, then it's time to jump in and write your story. Will it be funny, scary, adventurous? Where will it take place? What problem will your character face? Use your senses—your readers want to know what things smell or taste like, how they feel, what they see and hear. Don't forget your story needs a beginning, a middle and an end.

A Kid,
